Conditions & Requirements:

Mott Community College will award articulated credit to students for the secondary course(s) according to the conditions/requirements listed below. This credit applies only to MCC degrees and certificates (may not transfer to other institutions). This agreement is valid until the date of discard below.

All students requesting MCC credit must have instructor recommendation and must meet the following conditions:

1. Students must enroll at MCC and apply for articulated credit within two years of high school graduation.
2. Students must enroll in a related program of study for credits to apply to an associate degree or certificate.
3. Recommendation for credit at Mott will be determined by the teacher recommendation in the **CATEMA™** software system. The student will inform the MCC advisor or program coordinator of their intention to use the articulated credit when they develop their course sequence during the admission and registration process.
4. Students shall meet and maintain entrance requirements of MCC and the intended program of study.
5. A minimum of 15 credits of satisfactory work must be earned at MCC to be eligible for graduation with an associate degree or a certificate of achievement.
6. Articulated credit will be posted on the student transcript upon completion of the above requirements and successful completion (3.0 or better) of one additional course in an Information Technology program.

Tuition will not be charged.

No grades will be recorded for articulated courses.

This agreement remains effective for two additional years after expiration date to permit student access to agreed upon credits.

The Program of Study/Sequence of Courses and documentation of secondary instructional delivery/segments is available for review at the secondary site.

Signed copies of this articulation agreement may be requested by contacting the Mott Community College CTE Coordinator by emailing amanda.wares@mcc.edu.
