**Paramedics (Graduate)**

Associate in Applied Science
Health Sciences Division
Office: Curtice-Mott Complex CM2313
Phone: (810) 762-0317

This program is for those who have completed a paramedic program at a hospital. A paramedic is an ambulance attendant responsible for advanced emergency care in a pre-hospital setting and transportation of the sick and injured to a hospital.

**ELIGIBILITY REQUIREMENTS:**

1. Completion of a paramedic program at Genesys or McLaren Regional Medical Center which has been approved by the Department of Consumer and Industry Services (25 credits).

2. Conviction of a criminal offense may make graduates of the Graduate Paramedic Program ineligible to take their licensure exam. All applicants for a health profession license or registration in Michigan are required to submit fingerprints and undergo a criminal background check. In addition, some clinical sites require students to complete criminal background checks and submit to drug screening procedures prior to the clinical experience. All background checks and drug screenings are at the student's expense.

**Occupational Specialty Courses**
